

Funded Projects (2015-16)

Major projects

1. “Natural Dyes –a promising sensitizer for DSSCs”- KSCSTE- SRS Scheme – Rs. 28.91 lakhs, (2015-18)
Principal Investigator - Dr. K.S Sreelatha
Co-Principal Investigator - Dr. Lyjo K.Joseph
2. “Development of Composite nanofibers by electrospinning for photonic Applications”-UGC, Rs.12.97 lakhs (2012-15)
Principal Investigator - Dr. U.S Sajeev

Minor Projects

3. “Synthesis and characterization of some Nano ferrites”, UGC, Rs.1.45 lakhs(2013-15)
Principal Investigator - Sri Jacob George

Student Project

4. “Fabrication of DSSC with solid electrolyte”, KSCSTE-student Project Scheme, Rs.11,000/-
Student Investigator - Lakshmi R, 2nd year M.Sc Physics
Principal Investigator - Dr. Lyjo K. Joseph
